

# How to retrieve password for Credai Chennai Members?

**Step 1:** Find your registered email id, if you forget it. For that choose the **Members** menu from <http://credaichennai.in/> website or click <http://credaichennai.in/members.php>.

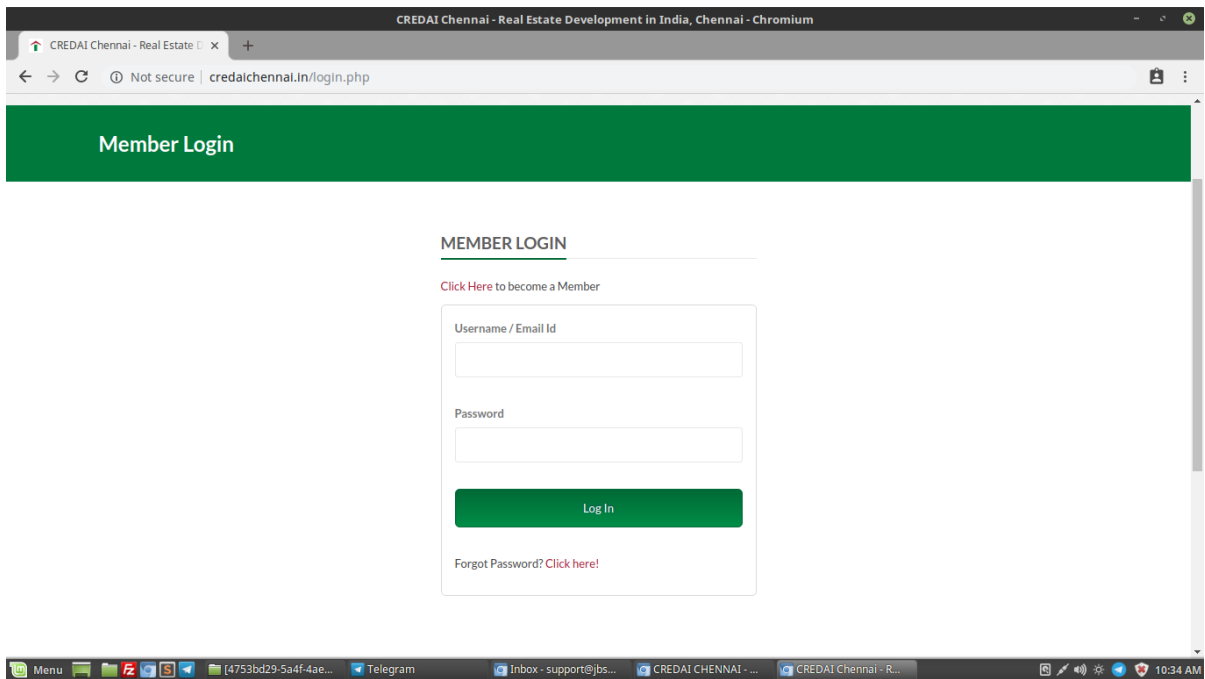

In this Members page, you can find your company with the help of search box. From the result, please click on your logo or name. It will redirect to your company profile page.

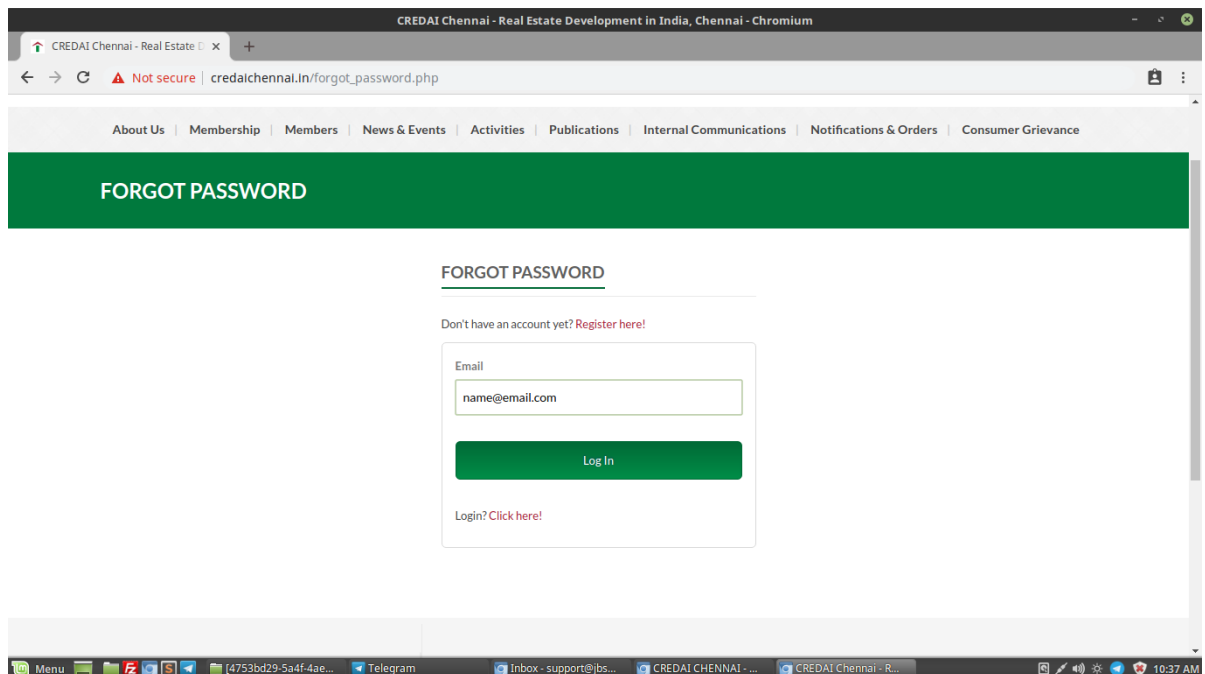

Left side you can find your logo and right side you can find the phone number and email id. That email is your registered email id. Please use this mail id to retrieve your password.

**Step 2:** Click [Member Login](#) button on top right side in the website. The following page will be opened.

**Step 3:** Please find the [Forgot Password? Click here!](#) under the [Log In](#) button and click the [Click here](#) link. This will redirect to **FORGET PASSWORD** section.

**Step 4:** Please enter the registered email id and click  button. Now you will receive an email from Credai Chennai with your username and password. Like in the screenshot below.
