

How to update projects in Credaichennai?

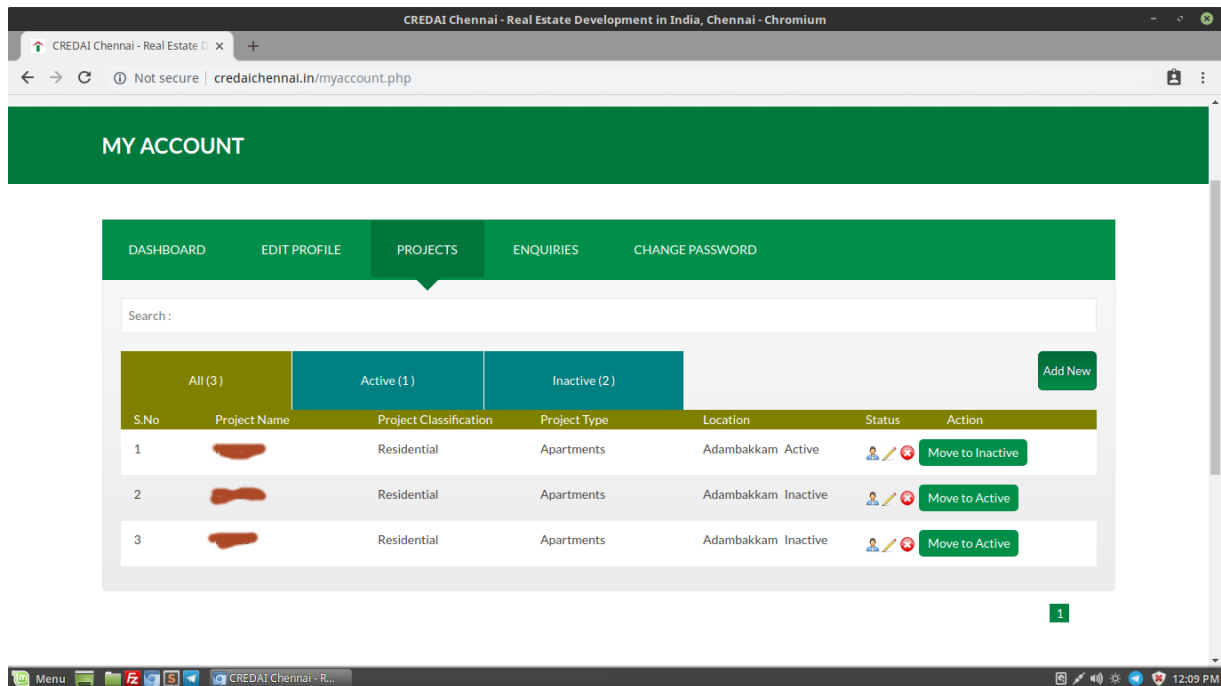

Step 1: Click [Member Login](#) button on top right side in the <http://credaichennai.in> website. The following page will be opened.

Step 2: Enter the registered email id and password in the respective boxes and then click [Log In](#) button. This will redirect to **MY ACCOUNT** page.

Step 3: In the My Account page, choose Projects tab or button. All the projects that you have upload are listed here.

The **All** tab shows all projects list.

The **Active** tab shows the active projects list(i.e., Visible to viewers).

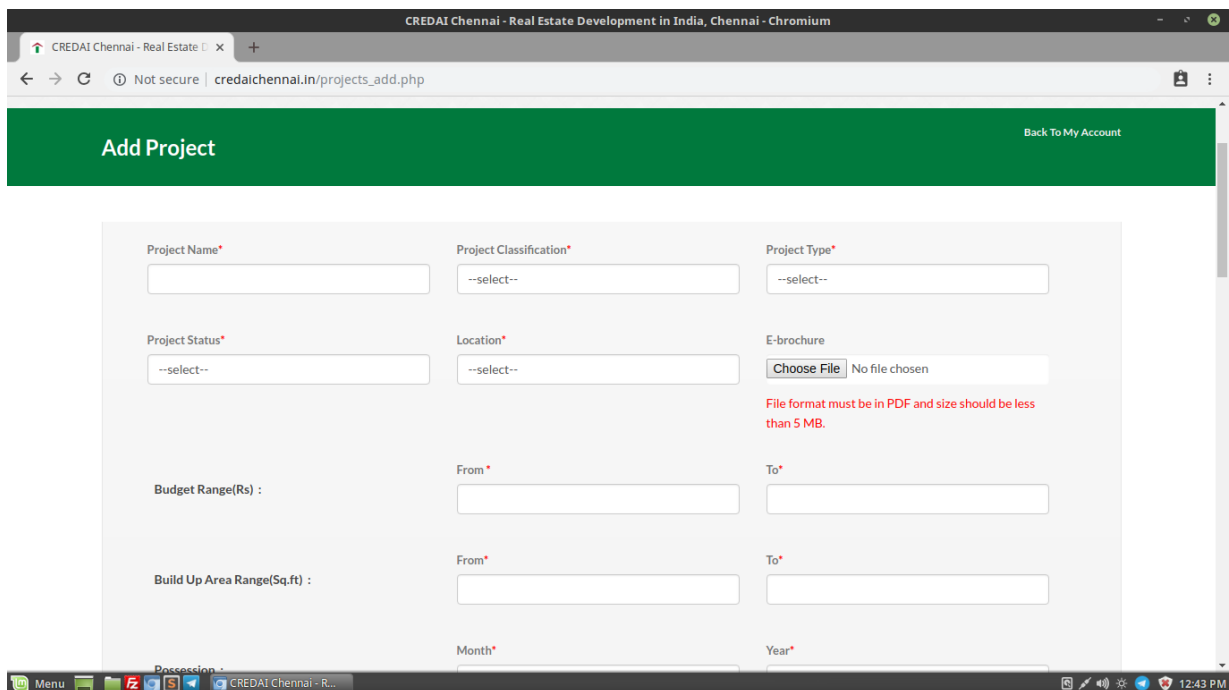

The **Inactive** tab shows projects which are in hold or cannot be seen by the visitors.

You can View , Edit and Delete the old projects by clicking respective icons for the respective projects.

[Move to Inactive](#) Button, makes the visible projects to invisible for visitors.

[Move to Active](#) Button, makes the invisible projects to visible for visitors.

Step 4: To create new project click  button. The following page will be opened.

The screenshot shows a web browser window with the URL `credaichennai.in/projects_add.php`. The page title is "Add Project" and there is a "Back To My Account" link in the top right corner. The form contains the following fields:
